

[Inquiry] Web developer in the promised land (fake name for protecting privacy)

Hi ,

Greetings from a _____ (whatever profession you're now)! I was doing some research on web developer positions, and I noticed you're the Lead Developer in the your firm.

I'm on a quest for a career change to tech, and would love to ask you some questions about your experience at your firm. Would you be available for a quick chat over coffee on this coming Tuesday at 8pm? I'm also free at 8pm on Thursday.

Sincerely,

Techie Wannabe

P. S. I'm sure you're busy, so if it's easier for you, I'd be happy to send my questions via email. Thank you!
