

[Inquiry] Web developer in the PromiseLand (fake name for protecting privacy)

Hi King,

Greeting from a _____ (whatever profession you're now) ! I was doing some research on the web developer positions, and I noticed you're the Lead Developer in the PromiseLand.

I'm on a quest for career change to tech and would love to ask you 3 – 5 questions about your experience at the PromiseLand. Would you be available for a quick chat over coffee on coming Tuesday at 8pm? I'm also free at 8pm on Thursday.

Sincerely,

Techie Wannabe

P. S. I'm sure you're busy, so if it's easier for you, I'd be happy to send my questions via email. Thank YOU!
